ABOUT AUSTRALIAN OUTBACK SPECTACULAR

Set in a 1,000-seat arena beside Warner Bros. Movie World, Australian Outback Spectacular is a true-blue night out with big Vegas-style flair. Skilled riders and stockmen and women charge through daring stunts and acrobatics, live music and dazzling effects transform the arena floor, and the whole night is woven around Heartland, a heartfelt story of an outback family fighting to save their farm. A hearty three-course dinner with drinks is served right at your seat as the action unfolds — an unforgettable evening from start to finish.
